## New IVSC membership forms now available

Under the revised Bylaws, membership of the restructured IVSC has been broadened beyond national professional valuation institutes to include valuation companies, government, valuation end-users, academia, and others with an interest in valuation standard setting. Members will be provided a forum for participation with the objective of advising the IVSC Boards on agenda decisions and priorities in the work of the IVSC.

Those who wish to apply for IVSC membership are asked to complete the new membership application form that is available on the IVSC website.
