Dear Mr. Zyla:

Re: IVSC Agenda Consultation 2017

Your invitation to consult on future topics to be included in any revisions to the IVS of May 15, 2017 was received.

The AIC does not have any further comments or suggestions at this time.

The AIC would like to thank the IVSC for providing us with the opportunity to participate in this endeavour. We applaud your open and collaborative process.

The IVSC Agenda Consultation Paper was comprehensive. The inclusion of an overview of the new board structure and standard setting process was informative and useful.

Yours truly,
