

Your IVSC – Proposed Approach

INTERNATIONAL VALUATION STANDARDS COUNCIL

What do we want to achieve?

1. Develop high quality international valuation standards which underpin consistency, transparency and confidence in valuations across the world;
2. Be seen and referred to as the standard setter for valuation with international valuation standards which are recognised and over time adopted by key stakeholders around the world;
3. In achieving the above add status to IVSC member and sponsor organisations and the valuation profession.

INTERNATIONAL VALUATION STANDARDS COUNCIL

Benefits of an effective IVSC

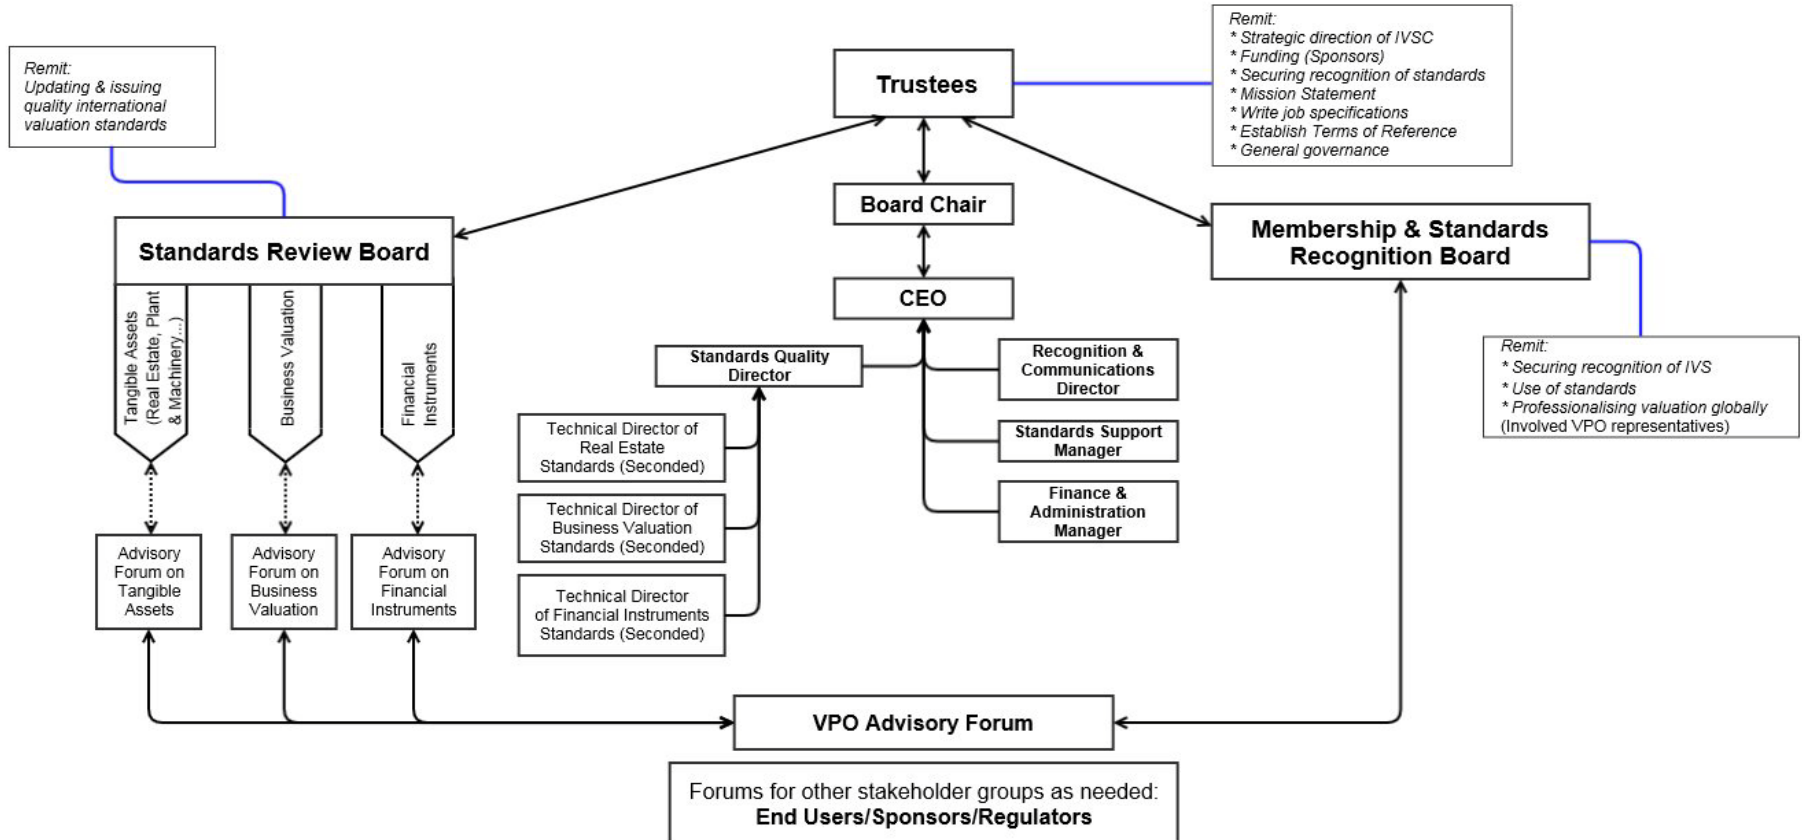

1. Increased confidence and stability across financial markets
2. Easier to do business across the world
3. Valuation Professionals can work globally
4. Increased international business for valuers with local and global relevance
5. Become seen as a high calibre profession
