

IVSC Asia Director

The [International Valuation Standards Council \(IVSC\)](#), headquartered in London, is the global valuation standards setter, responsible for developing the global approach to valuation through high quality standards and encouraging professionalism. The IVSC has consultative status within the United Nations Economic and Social Council, is sponsored by the World Bank, and required by the International Monetary Fund (IMF) in certain jurisdictions. We are a not-for-profit organisation working in the public interest, with key leaders from valuation professional organisations, major valuation businesses, universities, government departments, some of the largest investors in the world, major regulators and other renowned standard setters. We have over [180 member and sponsor organisations](#).

The IVSC is looking to recruit an **IVSC Asia Director** based in Singapore with strong expertise in intangible assets valuation, professionalism and an understanding of developments within ESG. The role of IVSC Asia Director is a new role which reports to the Chief Executive and will include the following components:

- Working with all technical boards but primarily with the global IVSC Business Valuation & Intangibles Board to facilitate and develop the global approach to valuation of Intangible Assets
- Writing thought leadership papers on intangibles with input from the Board and other experts
- Speaking at conferences, events and webinars on behalf of IVSC
- Hosting events and webinars with partner organisations
- Attracting new members and sponsors to IVSC and growing a team to support both the global approach and regional outreach
- Working with a new IVSC Asia board on outreach and stakeholder engagement

Skills required:

- Qualified valuer with strong level of experience of performing intangible asset and business valuations ideally internationally
- Excellent spoken and written English language skills and a strong public speaker
- Experience of working with board-level stakeholders
- A track record of being able to effectively communicate and sell a proposition
- Entrepreneurial skillset able to help grow and develop IVSC

This role would suit somebody looking to apply their extensive and senior-level valuation expertise in a role which incorporates both strategy and business development components. The IVSC is engaged in dialogue at the very highest levels within the financial sector and this high-profile role will be a driving force behind the continued evolution and professionalization of valuation across the Asia continent.

Location: Singapore

The IVSC Asia Director will enjoy a strong rewards package including a generous salary, potential to earn a performance related bonus, flexible working hours and 27 days vacation per year.

Please apply with a covering letter and CV.
